SERVING SCIENCE SINCE 1965

## WHY STERLING .....

UNMATCHED QUALITY AT  
AFFORDABLE PRICES

With your purchase you obtain the highest quality at the lowest prices.

### SWIFT DELIVERY

All orders are processed on the same day of the receipt of technically & commercially clear purchase order. We have an extensive range of products on site in our warehouse and can deliver most of the equipment within just a few days.

### REGULAR UPGRADATION

We at Sterling continue to develop new products and innovate our product processes. For that reason it might be the case that actual products sometime appear slightly different from the ones illustrated here in the catalogue.

### QUALITY MANAGEMENT

Sterling has obtained a quality approval certification for service, products & organizational process according to ISO 9001:2008 quality management system.

## WELCOME .....

TO THE WORLD OF STERLING. WE ARE SURE YOU WILL ENJOY MAKING YOUR SELECTION FROM OUR LATEST COLLECTION OF EDUCATIONAL GOODS.

As one of the leading manufactures & suppliers of scientific laboratory equipments Sterling manufacturing co. was established in 1965, till 1989 the concentration of the business was only in the domestic market., but with the opening of the Indian economy and liberalization policies started by the govt. of India.

The company established its export section and started to manufacture and export various science and educational requisites, colleges and international market. Since inception, what has changed, is the range of products we have introduced over the time to serve every need in the industry, We have our own-in-house manufacturing units, so as to have total control over Quality and Production with skilled staff.

STERLING™ dedication to the service of Scientific Educational Goods is the rich heritage of the company which continues today and will be fostered in future too.
